Camp Guernsey will conduct its annual military ammunition amnesty day October 13th, from 10:00 to 2:00 pm. The Department of the Army program is provided for members of the public to anonymously turn in military ammunition they may have found. Unexploded ordnance can be dangerous and should not be stored at a private residence. If you have military ammunition you wish to dispose of with no questions asked, please bring it to the turn-in site located at eh Camp Guernsey south pistol range on S. Wyoming Highway, approximately ¾ of a mile south of the Platte River Bridge. If the ammunition is too dangerous to move, please call the Camp Guernsey Fire Desk at 307-836-7810, to arrange for proper handling and removal. You can find more news like this at the Wyoming Military Department's website, wymilitary.wyo.gov.

The annual Homeless Veterans Standdown will take place at American Legion Post 6 in Cheyenne on October 27th. Our VFW Service Office will have a table at the Standdown. VFW Post and Auxiliary members historically take part in donating and distributing items to the homeless at this event. For more information, contact Cheryl Shannon at 307-778-7340, cheryl.shannon@va.gov.
