POST DEVELOPMENT

Planning for the new membership year can be a daunting task. With COVID-19 hanging around, this year is no different! We are continuing to establish new Posts and revitalize others across the country in spite of the pandemic. Make sure your Departments are in contact with the National Membership Department early to lay

out areas in need of Post development or a revitalization effort. We saw a spike in retention during April and May in large part due to conducting calling campaigns and “buddy checks.”

There are many resources available to you; all you need to do is call. Let the Membership Department know what you are working on so they can start tracking that information and provide assistance, as needed. For any questions or further information, you may contact Corey Hunt via email at coreyhunt@vfw.org or call us at 1.888.564.6839. Contact the Membership Department at membership@vfw.org.

NOTE: Tune in for another Membership Monday, Aug. 3, 2020, from 2-3 PM, CST, where we will be presenting on OMS what resources are available to you and how to get to those resources via a Zoom meeting. Find the Zoom meeting link in OMS under notifications; see **Membership Monday, August 3, 2020: OMS Overview**.

CHECK OUT OUR FACEBOOK PAGE!

As always, please remember you have many resources available to you at vfw.org and don’t forget to follow us on Facebook at facebook.com/VFWmembership. The Membership Facebook page has been routinely updated to showcase informational videos during the pandemic. What will your Legacy be?

- The Covid-19 pandemic has made for a challenging fundraising environment. But the Veterans of Foreign Wars Foundation corporate relations team rose to the challenge by launching the “Surge to Support” campaign to direct funding toward the VFW Unmet Needs program. This effort, geared toward corporate donors who desired recognition during the VFW's #StillServing Celebration, July 20-24, 2020, raised over \$400,000. Corporations that donated \$25,000 or more include: Twisted X, Booz Allen Hamilton, Tri-West and Hamilton Captel. Humana was the lead sponsor with a generous gift of \$150,000. Additionally, the campaign brought in three new corporate donors: Abbott Labs, Veterans United, and OptumServes.

- The VFW Foundation and Humana once again collaborated to promote and facilitate the “Uniting to Combat Hunger” (UTCH) campaign, an initiative to combat food insecurity in the veteran and military communities. This year’s goal of providing 500,000 meals to those in need was greatly exceeded when the final tally reached 1 million+ meals. VFW Quartermaster General and VFW Foundation Secretary/Treasurer Debra Anderson and Ed Sandrick, Director of Humana’s Strategic Alliances and Veteran Channel, made the special UTCH announcement live during the recent VFW’s #StillServing Celebration. Initially planned as a national food drive, the onset of the COVID-19 pandemic forced the 2020 UTCH campaign to drastically shift its focus from food collection to financial donations in support of local VA food pantries.

50TH ANNIVERSARY VIETNAM WAR COMMEMORATION PROGRAM. The Commemorative Partner Program is designed for federal, state and local communities, veterans' organizations and other non-governmental organizations to assist a grateful nation in thanking and honoring our Vietnam veterans and their families. As a Commemorative Partner, VFW Posts are encouraged to participate in the Commemoration of the Vietnam War by planning and conducting events and activities that will recognize the Vietnam veterans and their families' service, valor, and sacrifice.

Events and activities should be dignified, memorable occasions that show a sensitivity and appreciation for the solemnity of war and the losses suffered by many. Commemorative Partners should communicate how their events will achieve the congressionally-mandated objectives of the program. Events or activities should meet one or more of the following objectives.

1. To thank and honor veterans of the Vietnam War, including personnel who were held as prisoners of war or listed as missing in action, for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans.
2. To highlight the service of the Armed Forces during the Vietnam War and the contributions of Federal agencies and governmental and non-governmental organizations that served with, or in support of, the Armed Forces.
3. To pay tribute to the contributions made on the home front by the people of the United States during the Vietnam War.
4. To highlight the advances in technology, science, and medicine related to military research conducted during the Vietnam War.
5. To recognize the contributions and sacrifices made by the allies of the United States during the Vietnam War.

For the VFW Posts interested in becoming an official Commemorative Partner, they must submit an application and a signed Statement of Understanding.

Applications are available at VietnamWar50th.com on the Commemorative Partner Program. The approval process is usually less than 30 days. Partners will be kept informed through electronic notifications. Once approved as a Partner, the Commemoration will provide organizations with a starter kit of materials for developing and implementing their programs. If you have any questions regarding the Commemorative Partner Program application process, please direct them to: whs.vnwar50th_cpp@mail.mil. "Buddy"® Poppy

NATIONAL END OF THE YEAR AWARDS. The 2019-20 "Buddy"® Poppy year has come to a close and we would like to extend a sincere thank you to everyone that participated in this amazing program. Once again, with all of your help and hard work, we have completed another successful campaign. Please do not forget the entry forms you received in April were due in July. Once we have received the Department nominations and can compile our annual data, we will start processing the end of year awards. As we complete the citations and plaques, they will be sent directly to the Department Headquarters so they can find the appropriate time to present them.

"BUDDY"® POPPY CAMPAIGN. Although we emphasize Buddy Poppies on Veterans Day and Memorial Day, it is important to realize that the distribution of Buddy Poppies should be a year-round exercise. Each time a Post participates in an activity where the public will be present, Buddy Poppies should be present as a fundraising tool and simply to recognize our fallen comrades. Where the VFW appears, Buddy Poppies

should be a constant reminder that we will never forget those who have perished in the name of liberty. Just as “They Gave, Will You?” is a year-round thing, so should the distribution of VFW Buddy Poppies.

Remember that your poppies should be ordered a minimum of 8 weeks in advance of your distribution date. Be sure to specify a date by which the poppies are required; do not use “ASAP.” Miscellaneous items (coin cans, buttons, posters, etc.) should be ordered directly from the VFW Store at vfwstore.org/category/programs/buddypoppy or the VFW Store/Emblem and Supply Catalog.

The Manual of Procedure provides that Post relief funds may be used for programs such as Voice of Democracy, Patriot’s Pen, Citizenship Education, and Community Service as long as suggestions in the chairmen guidebooks are used as an example of promoting these programs.

Posts are further reminded that Section 711 of the Manual of Procedure provides that non-profit organizations, exempt from taxes under Section 501(a) of the Internal Revenue Code, may assist with the distribution of Buddy Poppies, provided there shall be no division of proceeds. A donation to these groups may be made from the Post general fund.

Contact information: BuddyPoppy@vfw.org or 816.756.3390, ext. 6722 for any questions or concerns.

VFW SILVER, GOLD AND DIAMOND ANNIVERSARY POPPIES. The silver, gold and diamond anniversary Buddy Poppies are for Posts that are currently in their 25th, 50th or 75th anniversary years. For Posts currently in their 100th year anniversary, they can order any color and as many as they need. The anniversary poppies are approximately three times as expensive for us to produce, but because of the small quantities we deal in, we don’t pass those costs on to the Posts. Please limit your order of anniversary poppies to 1,000 to ensure stock does not run out, unless you are currently in your 100th year. These are ordered through the Department and processed the same as the red poppies. Annotate on the order to National that it is for anniversary poppies and specify which one.

VETERANS OF FOREIGN WARS JOINS "WORLD WAR I POPPY PROGRAM." The Veterans of Foreign Wars is joining the U.S. World War I Centennial Commission in announcing the WWI Poppy Program to raise awareness about World War I and generate funds for local VSO chapters all over the country.

The VFW is proud to share with you the WWI Poppy Program; an opportunity to generate resources for your Post while helping to honor the 4.7 million Americans who wore the uniform during WWI.

Poppies grew across the war-torn battlefields of Europe after World War I. From 2017 to 2019, the U.S. World War I Centennial Commission will tell the story of those American veterans, through events, exhibits, and memorial efforts, and the VFW is proud to be a partner in this important commemoration.

Click on the following link to learn about the WWI Poppy Program and how your purchase of a Poppy Kit helps build the new National World War I Memorial in Washington, D.C., while also helping to raise money for your Post.

Here is a quick video that can help people understand why it is so important that we honor those who served during World War I: youtube.com/watch?v=l_y4l49mZso.

The red poppy is an internationally recognized symbol of veteran remembrance. Its use began in World War I and was captured in the war poem "In Flanders Fields," by Lt. Col. John McCrae.

National Veterans Service

National Veterans Service to Host Virtual Skill Level Training Conference

Due to the continued spread of COVID-19 and consideration for the health of our service officers, the VFW made the difficult decision to cancel the in-person Advanced Skill Level Training (ASLT) training and Basic Service Officer training scheduled to be held in Annapolis, Maryland in September. Instead, NVS will move forward with a Virtual Advanced Skill Level Training (vASLT) conference, where all instruction will be delivered through Zoom video teleconferencing and the VFW Online Learning Platform for accredited representatives. No decision has been made yet as to administration of the postponed Basic course.

Formal notification to students who are required to participate in vASLT will be sent in August, along with instructions on how to participate in the conference. Tentatively, NVS is scheduled to deliver two hours of online instruction each business day from Sept. 14-23 at 2pm Eastern time.

NVS will update VFW's network of service officers when a decision has been made about in-person Intermediate Skill Level Training in November and delivery of the Basic course for new service officers. NVS fully intends to return to in-person learning once it is safe to do so.

National Legislative Service/Action Corps

Are You Registered to Vote?

Tuesday, Nov. 3, is Election Day this year. Veterans and their families are a key voting bloc. Ensuring that you are properly registered to vote is a priority. If you have moved, changed your name, changed party affiliation, or have not voted in more than a year, you may need to update your voter registration. It is very simple to do, but deadlines and requirements vary depending on the state or territory in which you live. Go to eac.gov for more information.

2021 VFW-SVA Legislative Fellowship is Opening Soon!

The 2021 VFW-SVA Legislative Fellowship will be accepting applications soon! We ask for your support in finding qualified candidates. The program, which is in its seventh year, is for VFW members who attend an accredited institute of higher learning. Ten student-veterans will be selected for the semester-long program that focuses on real policy issues faced by veterans, service members, and their families. The highlight of the program is participation in the VFW Legislative Conference, which in the past has included meetings at the White House and with senior officials from the Departments of Veterans Affairs and Congress. Those selected also spend time with their VFW Department members on Capitol Hill pushing the VFW's legislative priorities, and this interaction has resulted in actual legislation. Alumni of the program have become more active in all levels of the VFW and some now work on Capitol Hill. [Learn more about the fellowship.](#)
