GENERAL ORDERS - 2019-20 SERIES - #7 - February 2020

Post Adjutants are reminded to read and post the General Orders at your next meeting.

The Internal Revenue Service requires all VFW Posts and Districts to file annually a form 990 "Exemption from Corporate Income Tax" form. Each Entity is mandated, by IRS rules, to have their current 990 filing available for public viewing.

Since putting out this notice last February, the following posts have worked with the IRS to correct their issues: 3305 in Greybull, 3511 in Lusk, and 1881 in Cheyenne. District 2 is continuing to work through the process after a rejection from the IRS. The status of Districts 4 and 5 is unknown. As these posts and District 2 can attest to, this is not an easy process and all Posts and Districts are advised to file the mandated IRS documents annually to avoid problems later.

By order of:
Josh Schmidt
Department Commander

Official:
Trish Peoples
Department Adjutant
