Department Convention

We are almost to the State Convention. Please remember that your post "housekeeping" needs to be in order for you to vote at the Convention. That means your post's election reports need to be in to National. There are **two** posts that haven't accomplished that. Additionally, your audits must be up to date. There are several posts that are behind with those.

The Department Annual Convention is in Sheridan, June 9-11. More information and the application can be found on the Department Website at www.vfwwy.org under the Resources tab. Our National representative is WA Council of Administration Fred Greene.
