SPECIAL ORDER- #1 - March 18, 2020

Due to the outbreak of COVID-19, the VFW Department of Wyoming is mandating the following.

First and foremost, follow your city, county and state emergency procedures, especially with respect to banning certain-sized gatherings and the closing of bars and restaurants. These restrictions DO apply to our VFW Posts.

All April District meetings are moved to May. All remaining March and all April Post meetings are cancelled. Elections will be held in May. The following events are NOT allowed until further notice:

1. Food service of any kind at the post or in the bar
2. Events that will create a large number of people in one place, such as dinners, karaoke, live bands, Queen of Hearts.

Although posts may keep their bars open until city, county and state guidance demands otherwise, please note that our Commander-in-Chief is recommending gatherings of no more than 10 people.

Please contact the Department if you have any questions.

By order of:
Josh Schmidt
Department Commander

Official:
Trish Peoples
Department Adjutant
